United Charitable offers fiscal sponsorship so you, the program manager, can concentrate on your mission, service, and fundraising while we take care of the finances, legal bounds, management, and administrative operations. Through Fiscal Sponsorship, United Charitable, as the sponsoring organization assumes all legal and financial responsibilities for the activities of your program. We file a consolidated IRS form 990 that includes the financial activity of all our sponsored programs. This enables the program to host fully insured events, access potential awarded grants, create advocacy campaigns, and do what they do best, rather than administration.
